This female is what you build an entire program around, measuring 62 1/2" at just 24 months. Her dam is pushing 90" T2T young female Kapital Tantrum, owned by Mike New. Her sire is the big horned bull owned by Stockton/Burton, Formal Attire. Formal Attire is sired by Tempter and out of the over 100" T2T Horseshoe J Example. If you like strong female genetics, you will recognize JS Overdrive in her pedigree as well.
